

# // CATASTROPHE SERVICES

**L**arge catastrophic property losses present unique adjustment and logistical challenges. Custard Insurance Adjusters understands these special circumstances and is committed to providing the highest quality catastrophe services in the United States and Puerto Rico.

**Our Catastrophe Unit is comprised of adjusters and claims managers specifically selected for their expertise in the handling of catastrophic losses.** The team consists of only seasoned and energetic professionals. In the event of a disaster, Custard Catastrophe Services will provide our clients with a cost effective advantage combined with catastrophe expertise.

**Nothing takes the place of pre-planning.** Unique to Custard's Catastrophe Services is our willingness and desire to meet with our client partners, determine your specific needs and implement a catastrophe plan unique for your organization.

**CIA's response team is experienced in the handling of all catastrophic losses** including but not limited to damages as a result of:

- **Hurricanes**
- **Tornadoes**
- **Earthquakes**
- **Explosions**
- **Environmental Accidents**
- **Wildfires**
- **Floods**
- **Hailstorms**

**Fast and immediate response is critical in setting up a successful catastrophe operation.** The CAT Management Team has the ability to mobilize, deploy and manage our Client Partners' catastrophe operations in a most efficient and timely manner. Regardless of when or where a catastrophic loss occurs, **our 24/7 CAT HOTLINE** gives our client's easy and immediate access to mobilize an onsite Catastrophe Team to avoid any lapse in the investigation and adjustment process.

Let CIA put our years of experience, integrity and quality service to work for you. Choose Custard Insurance Adjusters for your catastrophe response needs and get the competitive edge.
