HEAVY EQUIPMENT DIVISION

HEAVY EQUIPMENT DIVISION

EXPERTISE AND SERVICE

Our clients can count on expertise and service when they utilize Custard Insurance Adjusters' **Heavy Equipment Division**. The unit is comprised of adjusters with extensive experience in and knowledge of the industry, vital components of quality heavy equipment claims handling.

Our goal is to deliver a topnotch, consistent product throughout the country. The unit will manage your heavy equipment claims while providing guidance to the individual field handlers to insure accurate, well documented and timely physical damage appraisals and valuations, each and every time.

Clients can expect to **receive services unrivaled in the industry** and we stand ready to assist our customers with the following types of heavy equipment:

- ◆ Tractor / Trailer
- ◆ Construction Equipment
- ◆ Cranes
- ◆ Agricultural Equipment
- ◆ Motor Homes and RV's
- ◆ Boats and other Marine Apparatus
- ◆ Oil Field Equipment
- ◆ Specialty Heavy Equipment

BENEFITS OF THE UNIT

- ◆ Consistent nationwide estimating and reporting
- ◆ Technical supervision resulting in uniform appraisals
- ◆ Salvage recovery expertise
- ◆ Uniformity in locating LKQ parts, determining ACV
- ◆ Cost effective suite of desk services available
- ◆ Mechanical expertise and consistency
- ◆ Nationwide resources to provide quick ACV on heavy equipment

It is our goal to offer our customer the most efficient and cost effective solution to their heavy equipment investigations while providing consistent superior service.

The solution to all of your heavy equipment claims, physical damage appraisals and valuation needs!

EGA level CMEA Certified Appraiser available to handle large or complex losses anywhere in the continental United States.
